

# BISHOP STOPFORD'S SCHOOL

Brick Lane, Enfield, Middlesex, EN1 3PU  
**Headteacher: Mr P Woods**

Monday 18th November

Dear Parents,

As you are possibly aware, this week is national anti bullying week and we as a school are keen to show our support for this worthy cause.

The students of Bishop Stopford's School have played a key role in deciding the events for the week and have worked with their form tutors and school council representatives to chose the activities for our own 'anti bullying campaign'.

As well as House run tuck shops, peer mentoring schemes and anti bullying workshops for our younger students, we will also be distributing anti bullying wrist bands to every student and staff member within the school.

On Thursday 21st November there will be a 'Wear it Blue' non uniform day whereby students and staff can donate between £1 - £3 to wear something blue for the day. All funds raised for this event will be donated to the Anti Bullying Alliance.

In addition to this, the week will focus on the theme of respect, with staff being encouraged to nominate via e1 any students who demonstrate high levels of respect and consideration to others. Rewards will be issued to those students with the most entries for this.

It has been wonderful to see students across every year group engage with this campaign with such maturity and thought. Our motto for the week is 'Stand Together, Beat Bullying' and already the students have shown their willingness and ability to do this.

Please support us in our campaign in whatever way that you can by providing donations for our tuck shops, wearing something blue on Thursday or simply reinforcing our message at home.

We look forward to sharing with you further details of our campaign and our successes this week.

With Best Wishes

Mr Paul Woods  
Headteacher
