Dear Parents/Carers

Our students have returned to school following the summer break ready to learn and prepared to succeed. As always, I am very proud of our students. You know that our aim is to create a deep sense of learning and a true atmosphere of scholarship.

Academic achievement and student success remains a primary focus and as such our expectations are high in all aspects of school life. We aim to prepare students for the adult world which includes a high degree of self-discipline and pride. We take great pride in our school uniform, which was designed and chosen by our own school council, and it is our expectation that all students adhere to our school uniform policy at all times.

The overwhelming majority of students are adhering perfectly to our uniform policy, but there remain a small number of students who are not. I would like to highlight to parents and students that black trainers are not allowed and that every student should be wearing appropriate shoes that are in keeping with our Policy. As winter approaches, I would also like to remind you that outdoor coats must be plain and navy blue or black. Leather, imitation leather, suede or denim coats are not allowed.

Full details of our uniform are provided on the school website. Any item that does not meet our uniform regulations will be confiscated and a sanction may ensue. This includes jewellery, outdoor jackets, cardigans, coats, hoodies, hats, hair bands etc.

Your support in ensuring that your son/daughter maintains the high expectations of our school is as always, very much appreciated and valued.

With warmest wishes

Mrs Tammy Day, BA Hons, NPQH
