

Parental Survey Update 2017-2018

Throughout the school year parental surveys are carried out during parent's evenings and other school functions. To date the findings for the current academic Year Parental surveys have carried out have collated below.

Further surveys will be taking place at the parent's evenings. If any parents missed this opportunity and would like to take part in a survey please contact the school office. Your voice is very important in helping us provide a top quality education for your children.

Year 7 results

These results contain a comparison with the results from previous year 7 group.

Year 7 Results
