

KS5 Headline Performance Measures 2019

Academic

Academic qualifications include A levels but also other 'level 3' academic qualifications such as International Baccalaureates and Pre-U. 20 pupils undertook at least one academic qualification with an average result of D+.

Applied general qualifications

Applied general are qualifications that provide broad study of a vocational area. They are designed to lead to higher education and they include areas such as performing arts, business and health and social care. The average result achieved in the applied general qualification was a 'Merit'

Tech levels (occupational qualifications)

Tech levels are level 3 qualifications for students wishing to develop the specialist skills and knowledge for a technical occupation or industry. They lead to recognised occupations, for example in engineering, IT, accounting or professional cookery. The average grade attained in the tech level qualifications was a Merit.
