Corinthians 1:12:12 'the body is one and has many members, and all the members of the body, though many, are one body'

Exam Requirements:

The externally set task booklet will be released on the specified release date. The set task must be completed during the 12-week assessment period timetabled by Pearson. Preparatory time It is recommended that learners spend approximately 4 hours in preparation for Activity 1, the project development.

Activity 1: Project development At least 8 hours of informal supervision over four consecutive weeks. For Activity 1, learners may spend up to four weeks on project development. Learners must work independently. These sessions will be informally supervised. The informally supervised time can be in more than one session. This time should be spent on development

Exam Requirements:

Activity 2: Development review- 1 hour 30 minutes of formal supervision. Learners must complete Activity 2 using the development review template provided. Learners will have access to work from Activity 1, however, as this activity is completed, work cannot be added to or updated

Activity 3: Final response- Learners must spend a maximum of 8 hours under formal supervised conditions creating the final response. This time should be spent on: making the final response; recording the final response and the making of the final response, saving images for Activity 4.

Activity 4: Client portfolio- 2 hours 30 minutes of formal supervision. Learners should produce a six to eight page A3 digital PDF portfolio, including 100–300 words of annotation. Annotation can be arranged in any way throughout the six to eight page portfolio.

How can parents support?

Students must dedicate time outside of lesson to the development and completion of their art portfolio work. The pieces required for the portfolio have been outlined on the student check list provided, along with basic materials for working at home. A time frame for completion of each piece will be set by the subject teacher and must be adhered to in order to ensure work is completed to deadline and learners achieve their full potential.

Key information (Upcoming assessment etc.)

Mock exam: 5 hrs

Location: Art room

In the upcoming mock examination students will be set a timed activity in which they will develop pieces that meet the component 2 brief.

These pieces will then be internally assessed and a mock grade provided against the Btec marking criteria.

All work produced will be added to the component 2 portfolio and used in the final assessment against the component 2 criteria.
