Brick Lane, Enfield, Middlesex, EN1 3PU

Headteacher: Ms T. Day BA (Hons), NPQH

14<sup>th</sup> December 2021

Dear Parents / Carers,

Thank you for your continued engagement in the Covid-19 testing programme – we genuinely appreciate your support.

As I am sure you have seen in the media, we are unsure about the Covid-19 situation that we will face in the New Year; we want to be prepared for all scenarios. Following recent public health advice, every student will be offered one on-site test before returning to lessons and continuing regular testing at home. This test will be carried out over the first two days of the spring term (January 2022).

We ask that students come into school during an allocated period, for their testing. Students should return home after their test to complete online learning; parents/carers will be notified of the result using information given during consent. Please can students be in school uniform for the testing.

## Testing Schedule

**If you have previously given consent and no contact details have changed you do not need to do anything more.**

However, if your child's circumstances and/or your previous contact details have changed, please resubmit, giving the most up to date contact information.

If you wish to withdraw consent, please contact us at [covid@bishopstopfords.enfield.sch.uk](mailto:covid@bishopstopfords.enfield.sch.uk)

If you have not given consent or are resubmitting consent, please do so before Friday 17<sup>th</sup> December 2021 at:

<https://forms.gle/f4mDKcxzuWH1zxq3A>

Consent must be given by a parent/carer if your child is under 16 years old. If your child is 16 years or older, they can give their own consent, assuming they have discussed this decision with a parent/carer. Students who are over 18 can give their consent freely and without discussion.

All students will continue to be provided with Lateral Flow tests and it is essential that your child continues to test twice a week and follow the current government guidance. If you wish

to access additional rapid lateral flow testing, you can do so by ordering LFD test kits from GOV.UK or by collecting kits from your local pharmacy.

Thank you for your continued support. I hope that you and your family stay safe during the Christmas holidays.

Very best wishes,

**Ms T. Day, Headteacher, BA (Hons), NPQH.**
