Bishop Stopford's Festival

The festival was an incredible experience for us and we hope you all enjoyed it as much as we did. We cannot express how thankful we are for everyone who attended and took part in the fun morning. This year's festival included live music performances from our incredible worship team and a wide range of outdoor activities run by our year 10 prefects who did an amazing job making this an event to remember.

Among the activities held were:

- basketball
- football
- drama exercises
- costumes
- outdoor art murals
- tug of war
- duck fishing
- connect four
- giant jenga and much more!

We would like to thank the teaching and support staff for their encouragement and for providing us with such well behaved and happy children who we hope will join our school community in the near future.

This was where we had to show our best dance moves. Which school do you think won?

The Year 10 students did an excellent job organising activities and games for the schools

Miss Dorrington had a selection of drama outfits for us to try on, it was so much fun!

There was so much talent amongst the musicians. There were drums, keyboards, and guitars being played!

 I smile, even though I hurt see I smile
I know God is working so I smile
Even though I've been here for a while
I smile, smile
