# What will your future be?

For over 50 years, our Sixth Form students have been provided with an education that has pathed the way for highly successful futures, both in higher education and the workplace. From then until now our Sixth Form students have gone on to university and the workplace to pursue careers in:

- Engineering
- Business, Finance and Accountancy
- Medicine
- Pharmaceuticals
- Law
- Computer Technology
- Psychology
- Teaching
- Emergency Services
- Sports Leadership and Management
- Construction

## Students progressing to education or employment
