

Job Title: Relief Drum Teacher and Music Technician

Location: Bishop Stopford's School

Hours: Part-Time

Salary: £30 p/hr

Job Overview

Bishop Stopford's School is looking for an enthusiastic and talented Relief **Drum Teacher** and **Music Technician** to join our music department. This dual-role position is perfect for a passionate individual who excels in both teaching percussion and managing technical aspects of a thriving music department. The successful candidate will work closely with staff and students, ensuring high-quality instrumental education and the smooth running of music facilities.

Drum Teacher Responsibilities

- Deliver engaging and professional drum lessons to students of varying skill levels, ensuring progress in both technique and musicality.
 - Plan, prepare, and deliver tailored lessons, fostering a positive learning environment.
 - Track student attendance and follow up with those who miss their scheduled lessons.
 - Follow Policy
 - Prepare students for performances, assessments, and potential examinations where applicable.
 - Maintain an open line of communication with parents and staff about student progress and concerns.
-

Music Technician Responsibilities

Equipment and Facilities Management

- Audit and maintain an inventory of all music and sound equipment.
- Ensure all instruments and technical equipment, including drum kits, are in good working condition through regular checks and repairs.
- Label and organize instruments, sound gear, and resources for easy use.
- Manage and maintain the Mac-based music computer room, ensuring all software and systems function optimally.
- Oversee headphone maintenance and repair.

Event and Technical Support

- Set up and take down equipment for performances, assemblies, and other school events.
- Provide live sound support during events, ensuring high-quality sound production.
- Create stage plans and assist with sound setup for concerts and productions.

Organisational Support

- Organise and maintain music areas across the school to ensure they are tidy and accessible.
 - Provide small-scale administrative support as needed, such as tracking attendance for instrumental lessons or coordinating events.
-

Essential Requirements

- Proficient in playing and teaching drums, with experience working with young learners.
 - Strong technical knowledge of music equipment, including drum kits, sound systems, and Mac-based music software.
 - Practical experience in maintaining and repairing instruments and equipment.
 - Excellent organizational skills and attention to detail.
 - Strong communication and interpersonal skills, with the ability to engage with students, staff, and parents.
 - Self-motivated with the ability to manage time effectively across both teaching and technical responsibilities.
 - Commitment to safeguarding and promoting the welfare of children.
-

Desirable Skills

- Experience in live sound production or music event management.
 - Familiarity with stage lighting and production techniques.
 - Knowledge of other musical instruments or music education practices.
-

Benefits

- Work in a dynamic and supportive school environment.
 - Opportunity to inspire young musicians and contribute to a thriving music department.
 - Access to training and professional development opportunities.
-
