Dear Parents/Carers,

I hope this letter finds you well. As we approach the end of another successful half term at Bishop Stopford's School, I would like to take this opportunity to congratulate our pupils on their hard work and commitment over the past few weeks.

As part of our work with the wider community, and to support transition in school, we regularly work in partnership with local primary schools. It has been a pleasure to welcome Hazelbury School to our campus for a series of technology lessons this term. Our staff and pupils have embraced the opportunity to share their knowledge and expertise, demonstrating an enthusiasm that has been truly inspiring. We are proud to foster such meaningful partnerships with our local community. Furthermore, I was delighted to host a visit from our local Member of Parliament, who met with our student council to discuss matters of importance to young people in Enfield. I was incredibly impressed by the thoughtfulness and articulation of our pupils, who showcased a deep understanding of the issues at hand. The MP was equally impressed and left with a renewed appreciation for the calibre of our school community.

I would also like to extend my gratitude to our dedicated team of governors, who recently visited the school to observe our operations first-hand. Their continued support and guidance are invaluable in our pursuit of excellence.

As we look ahead to the second half of the term, I would like to emphasise the importance of attendance. We know that good attendance to school is a key factor in your child's overall performance. Please ensure your child returns to school on 24th February, ready to continue their learning journey.

Additionally, for our Year 11 pupils, the trial exams will commence after the half-term break. I encourage you to work closely with your child to support their revision and preparation for these important assessments.

I am immensely proud of our school community and the progress we have made together. Thank you for your ongoing support, and I look forward to the continued success of Bishop Stopford's School.

Return to School, Monday, 24th February, 2025

Due to a teaching and learning inset, students will return to school at 9.30am ready for registration and their period 2 lesson.

I wish you a restful half term, and look forward to welcoming our students on their return.

Kind regards

Mrs T Day, BA (Hons), NPQH
