March 2026

Dear Families,

As we reach the end of a busy and rewarding Easter term, I would like to take a moment to thank you for your continued support and partnership. This term has been filled with achievement, resilience and growth across all areas of school life, and it has been a pleasure to see our pupils engaging so positively in their learning and wider activities.

From academic successes in the classroom to participation in sports, arts and community events, our students have shown enthusiasm, determination and kindness. I am continually proud of the way they represent our school values each day.

A THOUGHT FOR EASTER

Easter lies at the heart of the Christian faith, reminding us of the resurrection of Jesus Christ and the promise of new life. It is a powerful message of hope—that even in times of difficulty and uncertainty, light can overcome darkness, and life can begin again.

For our school community, this message encourages us to show kindness, forgiveness and compassion to one another, and to approach each new day with hope and purpose. As we reflect on the meaning of Easter, may we be inspired to support those around us and to carry forward a spirit of care and understanding.

As we head into the holiday, I encourage our pupils to take pride in their efforts this term, to rest well, and to return ready for the opportunities that the summer term will bring.
