

Bishop Stopford's School

Brick Lane, Enfield, Middlesex, EN1 3PU

Headteacher: Mrs T. Day BA (Hons), NPQH

28th April 2026

Dear Year 11 Parents,

As you will be aware, final examinations are scheduled to take place, starting with practical assessments this week. This is inevitably the start of a crucial period of time for our students and we wish them all every success as they embark on this part of their educational journey.

In order to support our students and ensure that they are fully prepared and ready for each examination, we will be implementing the schedule attached for the period 28th April – 16th June.

As you will see from the schedule, **between Monday 27th April and Friday 8th May**, students will be in normal lessons unless they have an examination or a revision session for an upcoming exam. Timings of the school day will therefore remain as usual.

From **Monday 11th May – Monday 15th June** however, students will be following an amended timetable.

This amended timetable will include:

- **Short exam prep sessions with class teachers immediately before each subject exam** (this is not revision but an opportunity to help students get into the right mind-set and ensure that they are fully focused for the exam)
- **Revision sessions with subject teachers the day (or two) before their exam takes place.** This amendment to the timetable will enable students to focus on their next exam and will ensure that they are not overloaded with information and learning for other subjects unnecessarily.

Please be aware that as of Monday 11th May, as part of this amended timetable, students will be expected to attend school for exams, exam prep and revision sessions only. Normal school hours will therefore not apply and students should attend when they have an exam preparation lesson, a study session or an examination in their chosen GCSE subjects only. Please note that attendance to all of these sessions/exams is compulsory.

Please read the schedule thoroughly for further details and refer to your child's exam timetable so that you can be clear on the timings that they will be in school as well as when they will be dismissed each day.

A hard copy of the timetable has been given to your child today and a further copy can be found on the Year 11 Google Classroom

If you have any questions please do not hesitate to contact Mr Collings or the exams office.

Best wishes and thank you for your ongoing support during this important time.

E L Moynihan
