Headteacher: Mrs T. Day BA (Hons), NPQH

23rd June 2026

Dear Parents and Carers

Early School Closure on Wednesday 24th and Thursday 25th June, 2026 - Due to Extreme Heat

I write to you in relation to the forecast of **exceptionally high temperatures** over the coming days. After careful consideration of student and staff wellbeing, we have made the decision to **close the school early on Wednesday 24th and Thursday 25th June, 2026 at 12.25pm**. These are the hottest forecasted days during this very hot spell.

On Wednesday, 24th and Thursday 25th June, 2026, students will attend their period 1 and period 2 lesson; then they will have an extended break where we will encourage all students to have their school meal during the breaktime service, as the diner will not be open for lunch; attend their period 3, then be dismissed at 12.25pm. There will be no detentions or clubs after school and we will be advising students to leave school swiftly from 12.25pm to go straight home, staying out of the heat.

Please continue to ensure your child comes to school with a refillable water bottle, a protective hat for outside and sunscreen. If your child would find it more comfortable to wear their PE kit during the hot weather this week, they are also able to do so, even on their non PE days.

I sincerely apologise in advance for any disruption this may cause and appreciate your understanding and cooperation during this matter.

Thank you for your continued support in keeping our community safe.

Yours sincerely

Mrs T Day, BA(Hons), NPQH
Headteacher
