Dear Parents and Carers,

Update on Weather Precautions

Temperatures are set to be high again this week. To enable your child to stay safe and enjoy the summer weather during the last weeks of this term, students are permitted to wear their PE kits and are not expected to wear blazers and school jumpers.

The following precautions will be put in place from today and the remaining part of this week:

- Students can wear PE kit (but must wear trainers or shoes)
- Students must bring a water bottle (for drinking purposes **only**)
- Students should come to school having applied sun cream and wearing a hat
- Hand held or neck fans permitted, but we do not take responsibility for loss or damage
- Inside breaktimes if temperatures too high
- Activities and events will be reviewed/assessed and changed if necessary

Thank you for your cooperation.

Yours faithfully

Mrs T Day, BA(Hons), NPQH
Headteacher
