## 16-19 Performance in 2016

A levels
Progress - 0.13 Average (about 60\% of schools in England fall into this progress band)
This figure tells you how much progress students who studied A levels at this school or college made between the end of key stage 4 and the end of their A level studies, compared to similar students across England.

Average result - D+
Progress in English and maths

|  | Number of <br> students | School | Enfield <br> average (local <br> authority) - <br> state funded <br> 16-18 schools / <br> colleges | England <br> average - state <br> funded 16-18 <br> schools / <br> colleges |
| :--- | :--- | :--- | :--- | :--- |
| English | 11 | 1.45 | 0.05 | -0.10 |
| Maths | 14 | 0.21 | -0.03 | -0.13 |

These scores show how much progress students at this school or college made in English and maths qualifications such as GCSE re-takes, between the end of key stage 4 and the end of the 16 to 18 phase of education. A positive score means that, on average, students got higher grades at 16 to 18 than at key stage 4. A negative score means that, on average, students got lower grades than at key stage 4. Students are included in these measures if they did not achieve a grade C or higher in their GCSE or equivalent by the end of key stage 4 in that subject.

## Destinations

|  | School | Local authority <br> average | England average |
| :--- | :--- | :--- | :--- |
| Students staying in <br> education or <br> employment for at <br> least 2 terms after <br> 16 to 18 study | $90 \%$ | $89 \%$ | $88 \%$ |

Students finishing 16 to 18 study who either stayed in education or went into employment from October to March the following year. The data published in January 2017 is for students who finished 16 to 18 study in 2014, which is the most recent data currently available.

## Retention

|  | School |
| :--- | :--- |
| Percentage of A level core aims retained | $86 \%$ |
| Percentage of Applied general core aims retained | $95 \%$ |

Student 'retention' (the percentage of students who get to the end of their study programme)
