

## CONSENT FOR USE OF DIGITAL IMAGES

The use of digital/video images plays an important part in learning activities. Students and members of staff may use photographs/videos in presentations in subsequent lessons or to celebrate success through their publication on our website, in newsletters, at school events, curriculum work, display purposes, productions, trips and sporting events.

In line with guidance from the Data Protection Act and the General Data Protection Regulations (GDPR) we must seek permission from parent(s)/carer(s) for use of digital images. If you do not consent for us to use digital images in the ways we list below, that's no problem – we will accommodate your preferences. Similarly, if you change your mind at any time, you can let us know by emailing [generaloffice@bishoptopfords.enfield.sch.uk](mailto:generaloffice@bishoptopfords.enfield.sch.uk) or calling the school on 0208 804 1906.

The Bishop Stopford's School E-Safety Policy is available to view on the School website.
