Bishop Stopford's Church of England School was graded 'outstanding' as a Church of England School. In January, 2024, our Ofsted inspection confirmed our school as 'good'.

The school sets high aspirations for all students and is a rewarding and exciting place to work. Students are confident and self-assured learners whose excellent attitudes to learning have a strong and positive impact on their progress.

The successful candidate will complement and support the professional work of teachers by ensuring that the achievement, behaviour, attendance and punctuality related policies of the school are carried out and assist in the day-to-day running of the relevant year group under the supervision of the Head of Year. This will include the implementation of agreed programmes with individuals or groups, in and out of the classroom. You will support teachers and support staff in addressing the needs of all students but especially those students who need particular help to oversee barriers to learning and establish and maintain productive working relationships with students, acting as a role model and mentor, establish constructive relationships with students and parent/carers; interact with and support the students according to their individual needs and to support their achievements, behaviour, attendance and punctuality.
